We would like to invite you to NW Design Center's (Mini)OktoberFest! This is an after-hours event for Trades Professionals to relax, enjoy some food and drink, and learn more about the products and materials they use from the vendor themselves.

We are expecting a turnout of 25-30 attendees (We will keep vendor reps updated with RSVPs before the day of the event) Product demonstrations or engaging displays are encouraged! We have 2 spaces available for anyone wanting a tv for their display.

We would like to make sure we have refreshments and food for everyone. Please bring no less than 2 items from our list, one being an on-theme/seasonal beverage of your choice. Seasonal Beer/Beverage, Meat & Cheese Board, Soft Pretzels & Mustard/Cheese or other. *(Hess Bakery & Deli is a great place for authentic style German foods)*

*Be aware this is a Covid-19 conscious event. Masks are mandatory, Vaccinated or not and social distancing while indoors is expected. Do not attend event if you have been exposed or are experiencing any symptoms. Thank you.*
